

REVISOR'S NOTE: Subsection (a) of this section is new language added to allow concise reference to the Fund.

Subsections (b) through (g) of this section are new language derived without substantive change from former Art. 95, § 7B.

In subsection (c)(3) of this section, the phrase "if unable to deliver the check during that period" is substituted for the former phrase "[a]fter 30 days", to clarify that subsection (c)(3) of this section is inapplicable if the Comptroller finds the payee and also to reflect that, under subsection (c)(1) of this section, the period may be less than 30 days.

In subsection (d)(2)(i) of this section, the word "certify" is substituted for the former word "warrant", to avoid confusion with the defined term.

In subsection (e)(2) of this section, the prohibition against replacement of a check after 7 years is substituted for the former statement that the check is "void", since a check is void when canceled. Similarly, in subsection (g)(1) of this section, the former clause "which are void" is deleted.

In subsection (g)(2) of this section, the phrase "subject to subsection (f) of this section" is added to account for money returned to its source.

As to the additions of the specific references to the "Chief Deputy Treasurer" and a "deputy treasurer", see revisor's note to § 7-226 of this subtitle.
